

WELL PERMITS

REQUIRED FORMS:

WELL PERMIT APPLICATION

APPROPRIATE FEE: CLASS I WELL - \$175.00

CLASS II WELL – \$200.00

CLASS III WELL - \$250.00

TWO (2) SETS OF PLOT SHOWING WELL LOCATION

TOWNSHIP WELL PERMIT REQUIREMENTS:

- Completed Well Application with Appropriate Fee.
- Two (2) sets of a plot plan showing well location in relation to property lines, septic location, etc.
- A copy of the application and site plan will be faxed by this office to the Bucks County Board of Health.
- A copy of the application and site plan will be sent to Vincent Uhl, the Hydrogeologist, for Solebury Township.
- The proposed well must be staked out at the applicant's property, as the Township Hydrogeologist will be out to assess the well's location.
- The Township Hydrogeologist will then email his findings to this office.
- The Township Office will respond to the applicant, in writing, with the results of the review, which may include the need for additional information, or approval.
- Upon completion of the project, the well driller will complete the final portion of the application, that includes production, distances and water quality, and submit to the Township.
