## **XI NEW BUSINESS**

The Carry In / Carry Out Trash proposal for Township parks was reviewed and discussed by the members of the Board of Parks and Recreation.

Trash containers are to be removed from all the parks at the end of 2019. Laurel Park, that has a concession stand, would have trash containers available when the concessions are open during that brief 8-week period when the stand is operating. The people running the stand would be responsible for removing the trash when they close and the Director will work out those details later to everyone's satisfaction.

The Board agreed that this policy should be implemented by the Supervisors and then reviewed at the end of 2020.

## **XII PUBLIC COMMENT**

None

## **XII ADJOURNMENT**

The meeting was adjourned by Chair Kevin Campbell.

Respectfully submitted,

*Dudley Rice*
