

June 2026 Board of Supervisors Report

Respectfully Submitted,
Kelley D. Warner
Chief of Police

Police Activity Comparison: March-June 2026

Overall Trend

- Total documented activity increased from 771 incidents in March to 822 in June, a 6.6 % increase.
- Police activity continues to increase driven by proactive enforcement and community service efforts. These include business and residential checks and traffic enforcement.
- The department remains focused on visibility, traffic safety and proactive policing.

Notable Activity

- Criminal Trespass (Lake Solebury): On 060726 at approximately 5:45 pm, CB EMS reported three males were in the lake. Upon arrival, police discovered the males swimming and had them return to the shore where they were issued their one and only warning.
- Theft (100 blk of Waterwheel Ct): On 060726 a resident claimed that during an estate sale, an unknown person broke into a locked tool chest located in his garage that was clearly marked 'NOT FOR SALE' was broken into. Approximately, \$1500 worth of tools were missing.

Domestic:

- Domestic Disturbance (2400 Blk of Aquetong Rd): On 061126 at approximately 8:20 am, police responded to a reported domestic disturbance involving subjects who had left the scene and were believed to be returning to a nearby residence. Upon arrival, one individual was being detained for investigative purposes while another individual became disruptive during the police investigation. Despite repeated instructions to leave the area, the individual refused to comply, drove across a lawn at a high rate of speed to leave the scene, then returned shortly afterward by reversing back toward officers who were actively conducting their investigation. The individual was placed under arrest for Disorderly Conduct.

Domestic, con't:

- After being handcuffed and informed of the arrest, the individual passively resisted by refusing to walk to the patrol vehicle, requiring officers to carry them to the vehicle. Approximately one minute after being secured in the patrol vehicle, the individual removed the handcuffs, exited the vehicle, and fled on foot. Officers immediately pursued and apprehended the individual a short distance away, after which the individual was re-secured in handcuffs and returned to the patrol vehicle.
- It was later determined that the individual had slipped both hands out of the handcuffs, climbed through the partition opening inside the patrol vehicle, maneuvered over police equipment and the in-car computer, and exited through the front passenger-side door before fleeing. The arrest and subsequent apprehension were completed without further incident. Resisting arrest and related charges were filed.

Notable Activity

- Trespass (6800 blk Rt. 202): On 062326 at approximately 5:30 pm, officers responded to a report of juveniles in an abandoned property. Upon arrival, officers discovered four juveniles in possession of a small amount of marijuana and paraphernalia. Upon examination of the property, the officer noted several safety concerns. Police contacted Code Enforcement and they have since contacted the property owner to board the building and surrounding property.

Notable Activity

- Retail Theft (Wine & Spirits Shoppe): On 061926 and 062726, police responded to investigate a retail theft. The female suspect placed several miniature liquor bottles in her purse before exiting the store, failing to pay. Suspect did make a legal purchase with identifying information, investigation ongoing.

Community Outreach

- Officer Viruet- Melendez and Chief Warner were invited to Superhero Day at Trinity Day School. The students made capes and practiced their superpowers!

Training

- Corporal's Aaron Soldavin, Brendan Murphy, Officer Justin Broskey, Detective Brooks and Administration Specialist ReNee Derstine all successfully completed two days of Drone Pilot training. Next steps include FAA test and practical training.
- Congratulations STPD Drone Team!
