

March 2026 Board of Supervisors Report

Respectfully Submitted,

Kelley D. Warner

Chief of Police

Notable Offenses

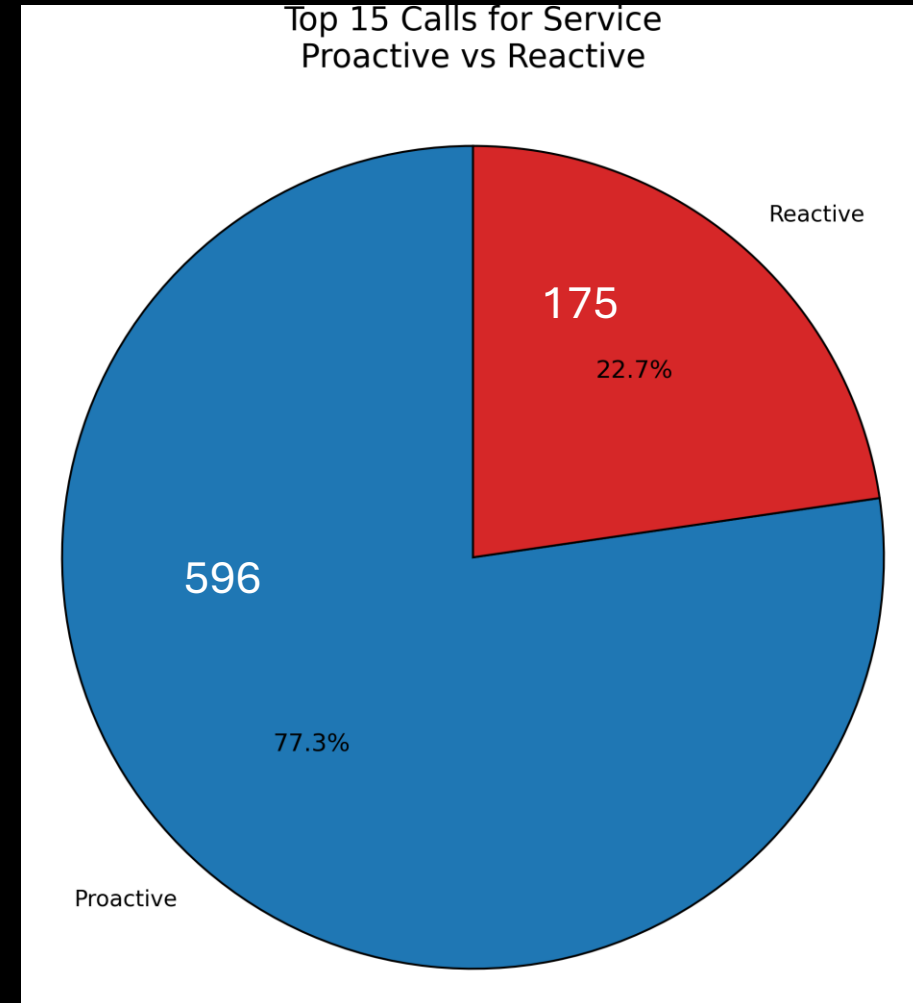

- **DUI:** on 03/01/26 at approximately 0138 hours in the 6300 block of Rt. 202, a vehicle was observed traveling 74 mph in a posted 45 mph zone. The operator showed signs of impairment in addition to 0.148 (almost twice the legal limit) result from a portable breath test. The operator was arrested for DUI.
- **Retail Theft:** on 03/01/26 officers responded to Giant in Logan Square for a report of retail theft. Loss prevention advised officers that this is the third time the same woman left the store with merchandise and failed to pay. Det. Brooks had already been investigating the previous incidents. Officers were able to positively identify the suspect and warrants were issued for her arrest.

Notable Offenses

- Mental Health Crisis: on 03/17/26 in the 6700 blk of Chapel Rd, officers were dispatched for a mental health crisis, and the person was known to own weapons. Officers responded, taking a position of cover and were able to convince the person to step outside and voluntarily go to the hospital for evaluation. Subsequent investigation revealed the person had over 80 weapons which were secured by STPD. The person was released the next day, and his weapons were returned to him.

Community Outreach

The Police Department and PW Director, Chris Clewell, joined NHPD, NHSSD and Giant in the first-ever Supermarket Sweeps!

During the challenge, each team received a food insecurity scenario and a set budget, requiring participants to shop strategically while meeting the needs of their assigned household.

Ultimately, Giant donated over \$1,000 worth of groceries to support local families through Fisherman's Mark!

TRAINING

Congratulations Sergeant Mansour for completing the renowned Leadership Trilogy which consist of 3, 1-week trainings: Supervisor, Command and Executive Leadership.

FBI-LEEDA's Supervisor, Command, and Executive Leadership Institutes are four-and-a-half-day, highly interactive programs designed to develop law enforcement leaders at every career stage.

All three follow the "Cops Teaching Cops" model, emphasizing practical, experience-based learning and peer engagement.

Together, they provide a progressive leadership pathway—from first-line supervision, to command-level responsibility, to executive leadership focused on strategic and emerging challenges in public safety.

Sgt. Mansour

Officer Murrin

Officer Viruet-Melendez

Training

- STPD is a member of the Bucks County Special Emergency Response Team (CBSERT) which includes Crisis Negotiators. Officers Murrin and Viruet-Melendez serve as negotiators for CBSERT.
- Last month, both officers attended the Baltimore County PD/FBI Baltimore Field Office Annual Hostage Negotiation Seminar. This training brings together hundreds of international professionals for crisis negotiation training.
- Training reports attached.

Truck Enforcement in Solebury Township

The Central Bucks Motor Carrier Unit assisted STPD on March 25th. The Unit conducted 32 inspections resulting in:

71 Violations

21 Citations

\$9673 in fines

Thanks Officer Grawe, Jr. and Corporal Soldavin for keeping our roadways safe!

Truck Crash

- In last month's report the department emphasized the importance of our Motor Carrier Truck Inspection Unit. On 03/31, STPD, NH Eagle FC, CB EMS and Public Works responded to yet another crash on Aquetong Rd.
- The truck inspection has not yet occurred; however, we do know that the driver looked down, lost control of the truck and rolled at least twice. In addition, the operator was not wearing a seat belt. He did sustain head injuries.

Traffic Complaint

- STPD received a speeding complaint via the Township Manager's office for excessive speeding on Creekside Drive, a 25 MPH zone.
- Speed monitoring was conducted from 3/17-3/24.
- A total of 1,260 passed through the monitored area and it was determined that 12 vehicles or 1.51% of all vehicles were traveling more than 36 MPH.
- The average speed was 24 MPH and the 85th percentile was 29 MPH or 85% of all vehicles were traveling 29 MPH or below.
- The complaint was advised.
