## Township Completes Spillway Repairs at Ingham Spring

**SPILLWAY REPAIRS** were recently completed at Ingham Spring. Above, holes in the retaining wall were filled to force water flowing from the spring on the right over two spillways, one a little higher than the other, rather than through the wall. The spillways feed Ingham lake by way of a short stream. The large dam at the other end of the 15-acre lake contains the lake, but is in need of extensive repairs that have yet to be funded. Below, a pump was used to divert water from the spring while workers excavated sediment and exposed the retaining wall. They used concrete to fill holes and define the spillways, embedding local rocks in the surface to maintain the natural beauty of the site. The *Solebury Messenger* went to press shortly before the Environmental Advisory Committee and Aquetong Watershed Association were planning to plant native shrubs and trees in the area.

## Attention Solebury Residents: Call for Volunteers

Dear Taxpayer:

Through the **Solebury Messenger**, the Board of Supervisors gives you, the taxpayer, firsthand information about Township matters. In these pages, you will read about what is being done to preserve and improve the quality of life as you know it, as well as how your hard-earned tax dollars are being spent.

The **Solebury Messenger** is created by Kay Hayes and Marie Collins, of School Window Publications; the newsletter celebrated its 15-year anniversary with the publication of the Nov. 2010 issue.

This bimonthly periodical is primarily ad-sponsored—a method which allows the Township to provide taxpayers with six professional newsletters each year for a fraction of the actual cost. To place an advertisement supporting this periodical, contact Kay at 609-397-8483.

If you live in the Township, but are not currently receiving a copy of the **Solebury Messenger** through the mail, please contact Kay so that she can add your name and address to our mailing list.

Other correspondence should be directed to the appropriate Township official. For more information, see the Township directory on page 7.

## Land Preservation Update: Overpeck Farm to Be Preserved

**O**verpeck Farm, a property located on Aquetong Road, will remain in its current condition due to the dedication of landowners Clarence and Joyce Overpeck and action taken by the Solebury Township Land Preservation Committee.

In August, the Board of Supervisors announced that the Township would purchase a conservation easement for the roughly 17-acre property at a cost of \$280,000; settlement took place in September.

"We are so pleased that the Overpeck's 17 acres of scenic viewscape and farm fields are now protected in perpetuity," Land Preservation Committee Chair Ralph O'Banion said on behalf of the Township.

The easement will protect the entire property, which is mainly agricultural fields cultivated in soybeans.

The eastern section of the property contains wooded forest, with a portion of a tributary to the Paunacussing Creek flowing through it.

This easement will be held jointly by the Township and Bedminster Regional Land Conservancy, a private land trust dedicated to preserving the agricultural and natural features of the area.

### **Preservation Update**

The preservation of the 17-acre Overpeck property brings the total amount of open space protected through the Township's Land Preservation Program to 3,201.38 acres, and the total area preserved in Solebury—including lands owned by the Township or conserved through the Township program, as well as using county and state funds—is 6,001.29 acres. 🌱

### **Planning an Addition or Renovation?**

Be smart: Talk to the Township first.

We can help you navigate the Township's forms, approval process, codes, and zoning regulations.

Getting it right the first time could save you time and money.

## Attention Property Owners!

*An Important Message  
from the Public Works Dept.*

**T**he Public Works Dept. would like to remind residents to maintain pipes and swales at the ends of driveways and ditch lines in order to ensure the smooth flow of storm water from homes, roads, and driveways.

These should be monitored regularly and kept free of debris—such as leaves, sticks, grass, trash, and silt.

**The Township is not responsible for cleaning driveway swales and pipes.**

However, the Township is responsible for the maintenance and repair of inlets, cross pipes, and culverts. The Public Works Dept. strives to keep these clear, but if for some reason you discover one that is excessively clogged, please report it immediately by calling 215-297-5656.

Also, when mowing grass or blowing leaves, please do not blow the waste into streets or ditch lines, where it can clog storm inlets and pipes and where airborne seeds may germinate in cracks or at curb lines.

Curbside pickup of leaves and other natural refuse is not provided by the Township.

By working together, we can help prevent future maintenance problems. 🌱

**W**inter Festival 2013 returns January 19-27 to provide an exciting mid-winter break consisting of fun-filled events and activities for all ages!

Solebury Parks and Recreation will again be a partner and sponsor of the upcoming event, in addition to taking an active role in event planning.

Now in its 16th successful year, the 2013 Winter Festival has something of interest for everyone, including the popular Chili Cook-Off (always an early "sell out"), a festive parade through the streets of New Hope and Lambertville, live entertainment, family activities, and much more.

Please check out the Winter Festival website ([www.winterfestival.net](http://www.winterfestival.net)) for event schedules, activity updates, concert news, and ticket information so you can plan your visit. All information about the festival gets posted on the website once it's finalized.

Winter Festival provides a full schedule

of free and ticketed local events, including concerts, theatrical performances, food and wine tasting, a pancake breakfast, family and children's activities, ice sculpture displays, tours, and arts and crafts, just to name a few.

Proceeds from the Winter Festival event support the parks and recreation departments of Solebury, New Hope, and Lambertville, as well as local food banks, school scholarship programs, fire and police services, and other community organizations.

Thanks to the overwhelming community support of this annual event, Winter Festival 2011 raised and distributed more than \$30,000 to these local charities and organizations.

Look for the official Winter Festival brochure by mid-November for a complete listing of events.

Keep in mind that many events require advance tickets; purchase them early through the website ([www.winterfestival.net](http://www.winterfestival.net)) to avoid being left out in the cold. ❄️

## Historical Society Holds New Year's Brunch

**C**ome one, come all!

# 2012 Summer Adventure Camp Comes to a Close

In August, Solebury Parks and Recreation Summer Adventure Camp wrapped up an exciting and innovative season at New Hope-Solebury Upper Elementary School. This marks the second year that camp activities have been located at the school for the summer.

This year's camp experience included everything from "Mad Science" shows presented by "Dynamite Dave," to hip-hop music and dance by the Dance Junction, to our dinosaur Moon Bounce in the gym.

We partnered again with the school district's Extended School Year Program to provide camp opportunities for students who require special education services in the summer. Students in the program had the option to have lunch and participate in the camp's afternoon schedule of activities and programs, as well as to participate in some of the morning shows and events.

More than 160 campers enjoyed six weeks of healthy outdoor activities, challenging games, and arts and crafts projects.

Parents and children alike were excited and enthusiastic about our health-conscious approach to camp, which emphasizes play

and exercise, with many programs taking place outdoors or in the school gymnasium.

A highlight of the season was the Kyle and Kelly Peron Magic Show. Also popular were visits from the AARK Wildlife Rehabilitation and Education Center, Jarret Adams and the Karate School, and the Solebury Police Department, which gave weekly programs on community safety and awareness.

Camp staff took great pride in making this an exciting experience for everyone.

**Join Us Next Year!**

Camp registrations typically begin in April each year and continue on a first-come, first-served basis. Camp size is limited to ensure close supervision by the counselors, and spaces usually fill very quickly.

Camp typically runs for six weeks, beginning with the first week of July; daily hours are 9 AM to 3 PM. ☺

**PET AND ANIMAL WEEK.** To the delight of summer campers, AARK brought some of the wild animals in their care for a visit during "pet and animal week." AARK's goal is to nurture animals—like this great horned owl—back to health and return them to their natural habitats. Above, an AARK Instructor introduces the owl to campers.

## Getting Ready for Snow

Because the Township recognizes that Solebury residents depend on their automobiles, the Public Works Dept. spends the fall getting everything ready for the prompt and orderly removal of snow from Township roads.

Winter weather conditions are expected to slow, but not inhibit, the ability of residents to attend work and school, stressed Township Manager and Public Works Director Dennis Carney.

Township vehicles—one loader, a road grader, and five trucks that each hold nearly 10 tons of salt—are lined up now to be winterized, conditioned, and repaired, as needed.

Plows and spreaders are also scheduled to be checked and readied.

In addition to relying on its own vehicles and employees, the Township also uses various subcontractors (as well as their trucks and equipment) to better

facilitate snow removal operations.

By late November, ample supplies of salt and a melting compound (sodium chloride) will be in the ready, and Public Works Dept. employees will be reviewing plans and procedures with subcontractors to ensure that everyone understands what to do when snow falls and the removal process begins.

In the event of snow or freezing rain, the department will immediately dispatch its five largest vehicles, outfitted with spreaders, to lay salt on 60 miles of Township roadway.

When snow accumulates to a depth of two inches, plowing will begin. Trucks are assigned the priority role of first clearing arterial roadways and the byways that feed into them.

All trucks remain in use until the entire Township has been cleared. 🌨

## Snow Ordinance in Effect

The Solebury Township Police Department urges residents to be mindful of the Township's snow ordinance.

No parking is permitted on any road in the Township from the onset of a winter storm until 24 hours after the last snowflake falls and all roadways have been plowed from road bank to road bank.

Residents are required to have their sidewalks cleared of all snow within 24 hours after a storm has stopped.

Property owners and private plow operators who clean driveways must remove any snow they deposit on roadways. If snow is left in the road, homeowners may be liable in the event of an accident.

Disregard for the snow ordinance can result in fines, towed vehicles, or both.

***The Township is not responsible for damage caused by snow moving equipment before, during, or after snowstorms—including damage to mailboxes.***
