Township’s First “Solebury Day” Deemed a Huge Success

Adults and children packed Laurel Park September 19 for the Township’s 1st annual Solebury Day, Parks and Recreation Director Dudley Rice reported.

The event was a tremendous success. Thanks to both good planning and spectacular weather, it lived up to its mission to celebrate “all that is Solebury” by fostering community pride, promoting local programs, and encouraging volunteerism, he said.

The day kicked off with a pet parade and dress-up contest sponsored by New Hope Pet Center.

To the delight of all attending, Supervisors Helen Tai and Bob Heath, Jr., took turns in a dunk tank to raise funds for the Travis Manion Foundation of Doylestown.

Judges of a cake and pie baking contest named the Savitsky family’s Dark Chocolate Layer Cake With Whipped Cream Frosting and Rachel Miller’s Classic Apple Pie as winners, while “people’s choice” honors went to Beth Houlton for Leila’s Southern Cream Cheese Pound Cake and to Bob Heath, Jr., for Mom-Mom’s Apple Pie With a Twist.

Children lined up for the Dinosaur Moon Bounce, sat for Caricatures by Courtney, had their faces painted, and completed arts-and-crafts activities as well as projects focused on nature and the environment.

“Dave, the Balloon Guy” crafted animals, swords, and elaborate hats for young attendees, and high school musicians entertained everyone with acoustic performances.

Soccer games, other sporting events, and an old-fashioned egg toss with raw eggs drew players of all ages.

And hungry diners kept the park snack stand, Bitter Bob’s mobile barbecue tent, and Sweet Pea’s eco-friendly homemade ice-cream truck busy dishing up tasty treats throughout the day.

Covino Orthodontics of Solebury donated water to help keep event-goers hydrated, and Manoff Market’s fruit and garden stand raised funds for Solebury Parks & Recreation. (See page 3 for additional community participants.)

“We’ve already started planning for Solebury Day 2016,” Dudley said. “See you next year!”

Maintaining Driveway Pipes and Swales

The Public Works Dept. reminds residents that the Township is not responsible for cleaning pipes and swales at the ends of driveways and ditch lines.

To ensure the smooth flow of stormwater from homes, roads, and driveways, residents must monitor these regularly and keep them free of debris, such as leaves, sticks, grass, trash, and silt.

Also, when mowing grass or blowing leaves, please do not blow the waste into streets or ditch lines, where it can clog storm inlets and pipes and where airborne seeds may germinate in cracks or at curb lines.

Curbside pickup of leaves and other natural refuse is not provided by the Township. The Township does maintain and repair inlets, cross pipes, and culverts. Public Works strives to keep these clear, but if you discover one that is excessively clogged, please report it by calling 215-297-5656.

By working together, we can help prevent future maintenance problems.

The nine-day event offers something for everyone, including a spectacular parade through the streets of New Hope and Lambertville on January 23 (with a foul weather date of January 30).

Winter Festival provides a full schedule of both free and ticketed local events, including concerts, theatrical performances, food and wine tasting, a pancake breakfast, family activities, live ice sculpting displays, tours, arts and crafts, and more.

Check out the Winter Festival website (www.winterfestival.net) around mid-November for event schedules, activity updates, concert news, and ticket information so you can plan your visit. All information about the festival is posted on the website as soon as it’s finalized.

In addition to taking an active role in event planning and hosting the popular Children’s Activity Center in the New Hope–Solebury High School gym on Sunday morning, January 31, Solebury Parks and Recreation is a partner and sponsor of the annual event.

Proceeds from Winter Festival help support the parks and recreation departments of Solebury, New Hope, and Lambertville, as well as our local food bank Fisherman’s Mark, school scholarship programs, fire and police services, the Free Library of New Hope & Solebury, and other community organizations.

Thanks to overwhelming community support of the event, Winter Festival 2015 raised and distributed $38,783 to these local charities and organizations.

Magill’s Hill: New Site of Outdoor Sculpture Project

As part of the PNC Arts Alive Outdoor Sculpture Project, Gantry, a sculpture by Susan Griswold, is now on display at Magill’s Hill Park, which is located along River Road in Solebury near the Rt. 202 toll bridge.

For many years, this spectacular piece was located at the Pratt Institute of Art Sculpture Park in Brooklyn. Harry H. Gordon Studios, of Lambertville, disassembled and transported it to Solebury in September, then reconstructed it during a four-hour process that involved moving the components by crane, leveling the base, and welding the steel structure securely.

Susan Griswold’s work is widely exhibited in sculpture parks throughout the United States. She is currently the founding director of St. Johns Sculpture Park in Portland, Oregon.

Collaboration on the placement of the Gantry included Parks and Recreation Director Dudley Rice, New Hope Arts Director Carol Cruckshanks, publicist Marilyn Bullock, sculpture experts Harry and Wendy Gordon, the Solebury Board of Supervisors, and Township Manager Dennis Carney.

Because Solebury Township has always viewed outdoor sculpture and art as an integral part of park development, Gantry was placed by Solebury Township Trail, where it can be enjoyed and appreciated by the most people.

The PNC Arts Alive Outdoor Sculpture Project is a free, accessible, and ongoing artistic outdoor exhibition. The new sculpture placed in Solebury expands the reach of the celebrated outdoor exhibition administered by New Hope Arts, a recipient of a sponsorship grant provided by the PNC Foundation and its Arts Alive Program.

The mission of the PNC Arts Alive Outdoor Sculpture Project is to collaborate and revitalize the arts in the community.

**Getting Ready for Snow**

Because the Township recognizes that Solebury residents depend on their automobiles, the Public Works Dept. spends the fall getting everything ready for the prompt and orderly removal of snow from Township roads.

Winter weather conditions are expected to slow, but not inhibit, the ability of residents to attend work and school, stressed Township Manager and Public Works Director Dennis Carney.

Township vehicles—one loader, a road grader, and five trucks that each hold nearly 10 tons of salt—are lined up now to be winterized, conditioned, and repaired, as needed.

Plows and spreaders are also scheduled to be checked and readied.

In addition to relying on its own vehicles and employees, the Township also uses various subcontractors (as well as their trucks and equipment) to better facilitate snow removal operations.

By late November, ample supplies of salt and sodium chloride (a melting compound) will be in the ready, and Public Works Dept. employees will be reviewing plans and procedures with subcontractors to ensure that everyone understands what to do when snow falls and the removal process begins.

In the event of snow or freezing rain, the department will immediately dispatch its five largest vehicles, outfitted with spreaders, to lay salt on 60 miles of Township roadway.

When snow accumulates to a depth of two inches, plowing will begin. Trucks are assigned the priority role of first clearing arterial roadways and the byways that feed into them.

All trucks remain in use until the entire Township has been cleared.

---

**Snow Ordinance in Effect**

The Solebury Township Police Department urges residents to be mindful of the Township’s snow ordinance.

No parking is permitted on any road in the Township from the onset of a winter storm until 24 hours after the last snowflake falls and all roadways have been plowed from road bank to road bank.

Residents are required to have their sidewalks cleared of all snow within 24 hours after a storm has stopped.

Property owners and private plow operators who clean driveways must remove any snow they deposit on roadways. If snow is left in the road, homeowners may be liable in the event of an accident.

Disregard for the snow ordinance can result in fines, towed vehicles, or both.

*The Township is not responsible for damage caused by snow moving equipment before, during, or after snowstorms—including damage to mailboxes.*
